SUMMER & GYM CAMPS

Vacation time is coming and the kids will be running wild. They'll be out of school, and what's a parent to do? You could get a big rope and tow them along with you everywhere you go. Hmmm, no, that won't work. Wait, before you go gray (or bald), we have a great solution right here for you: *Fit Kids Gymnastics Camp* - One of the truly wonderful and unique places in the universe **for boys and girls, ages 5 through 12.**

"Unique? Wonderful? Do you know who you are talking to?" the disbelieving, battle hardened parents say. Then adding, "telling us 'wonderful' is one thing, but you are going to have to *show us wonderful!*" It will be our pleasure. Read on, and discover why *Fit Kids Gymnastics Camp* is the only place for your kids to be this coming vacation.

The camps will be conducted in our state of the art facilities in Redondo Beach and Torrance. Located conveniently in the South Bay, we have the safest and most advanced gymnastics equipment available, and we are positive you'll be very impressed. But, our outstanding facilities are not what we are most proud of. What are we most proud of, you ask? This:

Our Mission: "To Develop Healthy, Successful, Confident Children," and our outstanding, highly trained teachers! That's what we're most proud of. Our teachers are "child development machines," constantly finding ways to develop your child's self esteem and confidence through the sport of gymnastics. All of this is done with energy, excitement and fun. Now that's some camp!

Fit-Kids Camp may be tax deductible as a child care expense. Please consult your tax professional for details.
